About the Institution

The Jyoti College of Management Science and Technology has started its journey from the year 2008. It is also symbolized as JCMST. During the period of 13 golden years, JCMST has devoted so much, it has enriched with various Departments like Education, IT & Management, Nursing and Paramedical, JCMST helps the students to discover the new experiments in a dynamic and supportive environment. The campus of the college has more than 80 P. Hect. land and lush green field with open ground for co-curricular and sports activities, and well maintained buildings in a pollution free zone.

The JCMST campus is one of the renowned facilities of Bareilly. It has well equipped labs, good classrooms and very old libraries to per the requirement of the students of B.E.D., M.E.D., Nursing, The Department of Education was N.A.A.C. Accredited, "Grade 'B'". All the departments are enriched with well qualified faculty members to guide the students for their better future and making them the good citizens of the society and the country too.

Chair the Seminar

In the 21st century India is denoted as "South India" because every third person in an Indian city is youth. Half of its population 1.1 billion is below age of 25 and quarter is below age of 14. India's young population is so valuable asset and most pressing challenge too. The youth are very much concern with higher education, higher education and research institutions are the direct contributors in enhancing innovations and increasing the emerging economic of the country. In such situation it become essential to provide adequate for the innovations with the knowledge of Intellectual Property Rights and make the perfect bond between Higher Education and IPR. The "Word and Shield" to protect the innovative creations of our youth and maintain them with the power of protection.

There is a great need to create large public awareness about the IPR especially by young learners who have extra-ordinary talent to do the activities in any field. If these talents are nurtured and taken up for commercialization by startup India Programme, it will give a competitive advantage to the innovators and entrepreneurs.

The sub-theme of the will help to understand the interrelation between higher education and intellectual property rights, effects of IPR in transformation of higher education and in providing the original research work. For protecting the exceptional capabilities of our youth it is tremendously essential that they must have awareness and knowledge about patent, copyright and trademarks.

The valuable suggestions and outcomes of the seminar will lead us to find out the strategies through which we can make our youth, their capabilities, society and nation more logical, strong, developed and prosper, go with such objectives, we JCMST has invited your papers on the following sub-themes:

1. Concept, Meaning and Importance of IPR in Higher Education
2. Intellectual Property in Right
3. Transformation of Higher Education through IPR
4. Preventing Plagiarism in Research
5. Protection of Innovations and Traditional Knowledge through IPR
6. IPR and Issues in use of ICT in Education
7. Mechanism of Impugning Education and IPR
8. Awareness about Patent, Copyright and Trademarks.

VENUE:
The Jyoti College is located on the Pilibhit Road near Meerut Bypass, Bareilly. The distance from Bareilly Station Bus Station is about 11 km.

ABOUT BAREILLY
Bareilly is one of the well known districts of Uttar Pradesh. Bareilly is located between the East long (20° 30' N) and North (77° 30' E) and is well connected by road and train. It is also known as "NATHNAGAR" due to Lord Shiva's Seven Temples around it and as "BANS BAREILLY" because of the abundant exquisite Bamboo Work. Bareilly is famous for Bamboo and Wooden Furniture, Zari, Zardosi, Sarees and also for the Zakhara of Bareilly. It is the educational hub for various fields of education and research like: IPR, MIPRI, IIPR Spinal Injury Centre, Educational, Medical and Technological institutions etc.

The weather of Bareilly remains pleasant in the month of February.
